

# THE HUB REGISTRATION FOR RRC

Heatcraft's **Remote Refrigeration Control (RRC)** monitoring portal for Mohave and Beacon II has moved to The HUB. Please follow the steps below to create your HUB account and register for your RRC access.

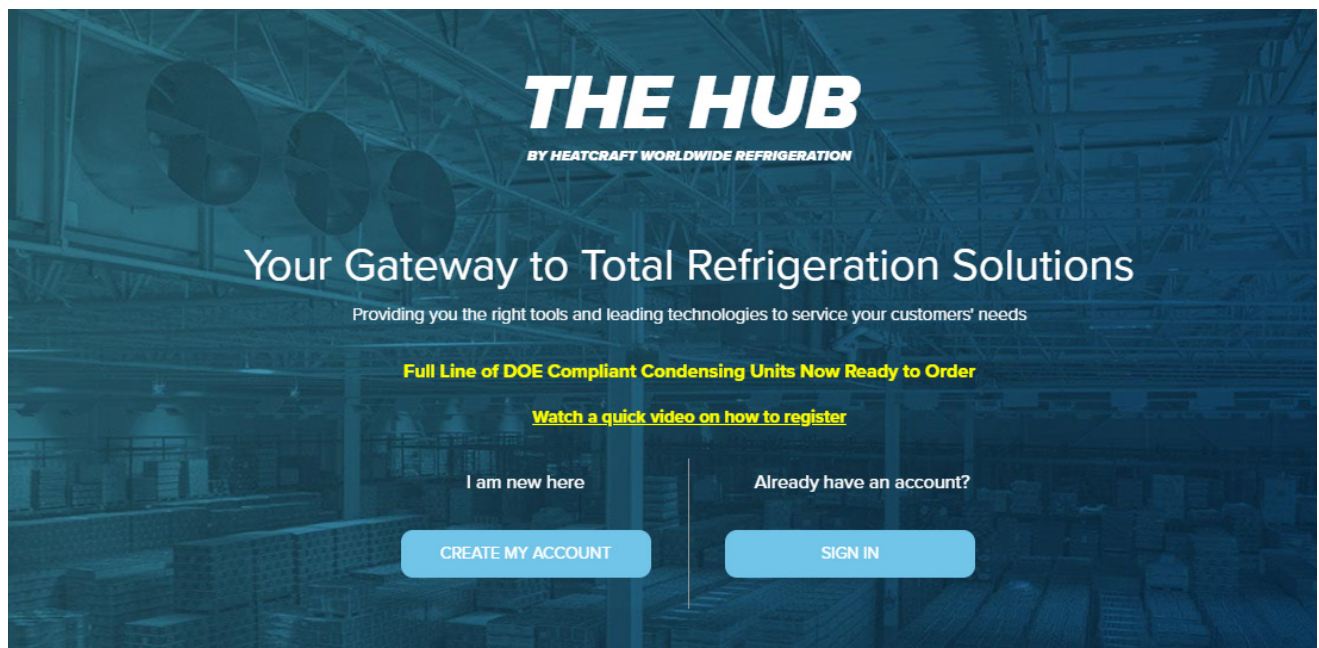

## Existing User

If you already have a HUB account, you **do not** need to register again. Simply send your email address and RRC username to [hubadmin@heatcrafttrpd.com](mailto:hubadmin@heatcrafttrpd.com) to have RRC access added to your profile.

## New User

If you do not have a HUB account, then complete your registration in The HUB by following ALL the steps below.

**STEP 1:** Go to [hub.heatcrafttrpd.com](https://hub.heatcrafttrpd.com) and select **"Create My Account"**.

**STEP 2:** Select **“Other”** on the Getting Started page.

HEATCRAFT Refrigeration Products

Welcome to **THE HUB**

We offer the best tools to help improve your business.

**Quick & Accurate Submittals**  
Generate instant and accurate product diagrams, dimensions and physical capacity.

**Rapid or Standard Box Load**  
Quick and dirty estimates of refrigeration load or more detailed calculation.

**Fast & Precise Quotes**  
Generate accurate quotes with customized pricing using quick model entry or system wizard.

Getting Started

All fields are required

Create My Account As:

CUSTOMER EMPLOYEE
